

# LOGISTICS *BUSINESS*

“Logistics Business is currently the most professional and respected journal in our sector”

- John Maguire, MD, Flexi Narrow Aisle

**Logistics Business magazine** is the only pan-European logistics print and digital journal, daily news site and Newsletter.

Our editorial is dedicated to the best application of technology and services spanning the supply chain: from materials handling and warehousing equipment to transport and distribution services, logistics solutions, IT, software and packaging.

Now in its 27th year, Logistics Business magazine is published quarterly, with issues in February, May, September and November.

The digital issue is available in every language, to read or listen to on PC, laptop or mobile, as well as search and download functions. Our weekly eNewsletter comments on the big topics and provides 8 unmissable stories.

Daily news items are posted at **www.logisticsbusiness.com**. Logistics Business also conduct regular Webinars, customer email marketing and market research surveys of our readership. We launched Logistics Business Conversations Podcast series this year.

# Editorial & Print issues

**Logistics Business magazine** is a quarterly journal, with issues published in February, May, September and November.

Editorial coverage is predominantly exclusives: case studies, site visits, key interviews, reports, together with product launches and opinions.

News items are posted to [www.logisticsbusiness.com](http://www.logisticsbusiness.com) daily and the best from each week are included in our eNewsletter (usually Fridays).

## Inside Every Issue:

Interviews with global CEOs and senior executives; features and company profiles; Thought Leadership and industry opinion; product innovation; process innovation; case studies. Specialist themes covered include: Forklift & AGV technology, Storage & distribution, Mission-critical software (WMS, TMS & SCM), Warehouse 'Uberization', Docking slots, Futurist predictions, Autonomous Driving, Cold store tech, Management strategies, Loading Bay, 'Glocalization' & Warehouse robots, Property, 3PLs & Forwarding, Intralogistics, Omnichannel, Automation Systems, eCommerce, Transit packaging & labelling, Sorting & Picking, Pallets & Containers, Voice Technology & Mobile Computing and much more.

For specific issue special features please contact the Editor. We also accept by-lined articles and feature suggestions.

# Webinars

Logistics Business organises regular Webinars with customers and partners.

We offer ad-hoc Webinars, either live or pre-recorded, on a date and theme of your choice.

You can watch some of them here:

<https://www.logisticsbusiness.com/webinars-podcasts/>

**Webinar Package Deal:** Having agreed the topic and dates with us we then send an email blast to our 18000 eSubscribers inviting them to register to watch. We can assist with finding suitable speakers. We will post a news item on our website too.

Our Editor, Peter MacLeod, will prepare the content with you and then moderate the Webinar. You can use your own platform or we can use Zoom. After the Webinar we will then send our eSubscribers an email with the video to watch on-demand.

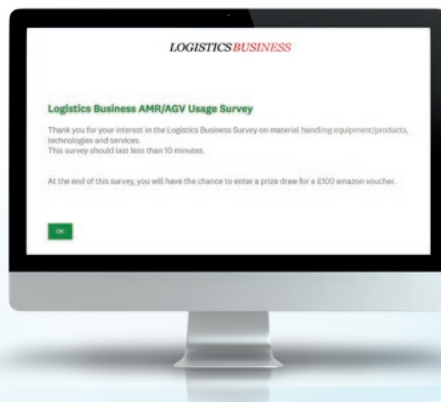

**Total net cost: £4000 / €4800**

# Surveys

Logistics Business can assist with your market research via our exclusive reader surveys. We will build a bespoke survey for you on Survey Monkey, embed it in our site, provide exclusivity there for 2 months, promote the survey as a news story, in our eNewsletter, on LinkedIn, Twitter and by sending it to our 18,000 esubscribers.

The results are collected and reported to you so you can learn what our international readership thinks about certain subjects or what they need. Typically we will generate 100-200 completed surveys, with a prize draw for entrants.

**Cost: £5000 / €6000**

# Podcasts

Logistics Business Conversations is our new Podcast service. We record and distribute monthly Podcasts hosted by Editor Peter MacLeod. Using the Acast platform, they will be made available on Apple, Amazon, Spotify and Google Play. Approx. 30 mins each, they will have specific topical titles. As well as distribution via Podcast channels they are available on our site and emailed to our esubscribers to listen on-demand, as well as promoted as a news story and on LinkedIn.

**Podcast Package:** Liasing with you on the theme, speakers and date we will record, edit and publish an exclusive Podcast.

**Cost: £3000 / €3600**

# eBooks

We can publish a digital multilingual 8-page unique magazine for you. Featuring a front cover, back cover advert and 6 pages of exclusive editorial content (interviews, news, case studies), we will write, edit and design it before publishing as a digital edition on Flickread. We will send you the file and link, send it to our 18,000 eSubscribers and promote it on our site and social media.

**Cost: £4500 / €5400**

## Terms & Conditions

The publisher reserves the right to reject any advertisement. The advertiser agrees to indemnify and protect the publisher from any claims of expenses resulting from the advertiser's unauthorised use of any name, photograph or words protected by copyright or registered trademark. All orders accepted are subject to our credit requirements. The publisher reserves the right to select ad location unless the advertiser pays for a preferred position

## General Rate Policy

General Rate Policy: The publisher reserves the right to hold the advertiser and/or its agency jointly and severally liable for such monies that are due and payable to the publisher. Advertisers will be short-rated and charged the full rate card if, within a 12-month period, they do not keep to the frequency of adverts initially booked by them. Agency commission will be revoked if invoices are unpaid after 60 days.
